HOW IT WORKS

1. Apply at www.hfsfin.com or ask your contractor to direct you to their dedicated HFS loan application link.

2. Application takes 1 minute. HFS performs a soft credit check so there is NO IMPACT on your credit to see your personal loan terms.

3. Once conditionally approved, you will be presented loan terms instantly or within 24 hours by your dedicated HFS Personal Loan Consultant.

4. You can fund up to 20% more than your home improvement estimate(s) or contract(s). This is available should you require it.

5. Example: Your estimate(s) or contract(s) totals \$50,000. An average of 20% would equal \$10,000. In this example, you can borrow up to \$60,000.

6. Once fully approved, the full loan amount funds directly to the consumer's checking account and never to the contractor. This makes for easy funding and easy payments for both the contractor(s) and customer(s) involved.
